

Mapped, edited, and published by the Geological Survey
Control by USGS, USC&GS, and City of Los Angeles
Topography from aerial photographs by multiplex methods
and by plane-table surveys 1952. Aerial photographs taken 1947
Polyconic projection. 1927 North American datum
10,000-foot grids based on California coordinate system, zones 7 and 5
Dashed land lines indicate approximate locations
1000-meter Universal Transverse Mercator grid ticks,
zone 11, shown in blue
To place on the predicted North American Datum 1983
move the projection lines 4 meters north and
85 meters east as shown by dashed corner ticks
There may be private inholdings within the boundaries of
the National or State reservations shown on this map

Revisions shown in purple compiled in cooperation
with California Department of Water Resources from
aerial photographs taken 1969. This information
not field checked
