

This is a detailed topographic map of the Springfield, Missouri area. The map features a grid with coordinates ranging from 1350 000 FEET (SOUTH) to 1 600 000 FEET (NORTH) and 122°00' to 121°40' WEST. Key geographical features include the Missouri River, the Green Mountain, and the Williamette National Forest. Towns such as Brownsville, Sweet Home, and Springfield are labeled. The map also shows various creeks, rivers, and lakes, as well as numerous smaller landmarks and elevation contours. The map is oriented with North at the top.

This topographic map depicts the Folsy Ridge area in Lincoln County, Tennessee. The map features contour lines indicating elevation, with major peaks such as Crescent Mtn (1527'), North Pt (1516'), Echo Mountain, and French Mtn (1754'). Water features include Crescent Creek, Middle Creek, Folsy Creek, and Folsy Lake. The map also shows the Folsy Ridge, which runs diagonally across the center. Other notable locations include Bunchgrass Mtn, Wilkett Mtn, and the Folsy Springs. The map is overlaid with a grid showing coordinates (R 6 E, R 7 E, T 13 S, T 14 S, T 15 S, T 16 S, T 17 S, T 18 S) and a scale bar indicating 1,600,000 FEET (NORTH) and 1,600,000 FEET (SOUTH). The map is titled 'FOLSY RIDGE' and 'LINN CO TENN'.

- Contours and elevations in meters
- Highways, roads and other manmade structures
- Water features
- Woodland areas
- Geographic names

1983

Produced by the United States Geological Survey
Compiled from USGS 1:24 000 and 1:62 500 scale topographic maps
dated 1950-1967. Planimetry revised from aerial photographs
taken 1973 and other source data. Revised information not
field checked. Map edited 1983
Projection and 10 000-meter grid, zone 10.
Universal Transverse Mercator
25 000-foot grid ticks based on Oregon coordinate system,
north and south zones
1927 North American Datum
To place on the predicted North American Datum 1983
move the projection lines 22 meters north and 94 meters east

Primary highway, hard surface	
Secondary highway, hard surface	
Light duty road, principal street, hard or improved surface	
Other road or street; soft	
Road marker: Interstate, U. S. State	
Bridged: standard gages, narrow gage	
Railroad; overpass; underpass	
Tunnel: road; railroad	
Built up area; locality; elevation	
Airport: landing field; landing strip	
Neotidal boundary	
State boundary	
County boundary	
National or State reservation boundary	
Public land boundary	
U. S. public lands survey: range, township; section	
Range, township; section line: protected	
Neotidal reservation line: pipeline	
Dam, dam with lock	
Cemetery; building	
Windmill; water wall; spring	
Mine shaft; edit or cave; mine; quarry; gravel pit	
Congress; picnic area; U. S. location monument	
Rising, cliff dwelling	
Dissected surface; strip mine, levee, sand	
Contours: index; intermediate; supplementary	
Bathymetric contours: index; intermediate	
Stream, lake; perennial; intermittent	
Rapids, large small; marsh, falls, large and small	
Area to be submerged; marsh, swamp	
Land subject to controlled inundation; woodland	
Scrub; meadow	
Order; sloped
