Produced by the United States Geological Survey

Compiled from USGS 1:24 000-scale topographic maps dated 1963-1975. Planimetry revised from aerial photographs taken 1992 and other source data. Revised information not field checked. Map edited 1994.

North American Datum of 1927 (NAD 27). Projection and 25 000-foot ticks: Universal Transverse Mercator, zone 12 central and east zones.

The values of the shift between NAD 27 and North American Datum of 1983 (NAD 83) for 7.5-minute intersections are obtainable from National Geospatial Survey NADCON software. There may be private landholdings within the boundaries of the National or State reservations shown on this map. Protracted land lines are dashed.
