

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1965 and planetable surveys 1966

Polyconic projection. 1927 North American datum 10,000 foot grids based on Nebraska coordinate system, south zone, and Missouri coordinate system, west zone. 1000 meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

To place on the predicted North American Datum 1983 move the projection lines 3 meters north and 23 meters east as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
