

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS, and Florida Geodetic Survey  
Topography by photogrammetric methods from aerial photographs taken March 1965. Field checked 1970  
Selected hydrographic data compiled from USC&GS Charts 872-SC (1969) and 1265 (1969). This information is not intended for navigational purposes  
Polyconic projection. 1927 North American datum  
10,000-foot grids based on Florida coordinate system, north zone, and Alabama coordinate system, west zone  
1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue  
To place on the predicted North American Datum 1983 move the projection lines 18 meters south and 2 meters west as shown by dashed corner ticks
