

Mapped, edited, and published by the Geological Survey  
Control by USGS, NOS/NOAA, and Florida Department of Transportation  
Topography by photogrammetric methods from aerial photographs  
taken December 1971. Field checked 1975  
Supersedes Army Map Service map dated 1944  
Projection and 10,000-foot grid ticks: Florida coordinate  
system, west zone (transverse Mercator)  
1000-meter Universal Transverse Mercator grid ticks,  
zone 17, shown in blue. 1927 North American datum  
To place on the predicted North American Datum 1983  
move the projection lines 28 meters south and  
18 meters west as shown by dashed corner ticks  
Fine red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs. This information is unchecked  
Where omitted, land lines have not been established

Revisions shown in purple and woodland compiled in cooperation  
with State of Florida agencies from aerial photographs taken 1964  
and other sources. This information not field checked  
Map edited 1987
